JAMES MCCAFFERTY DEVERS

PROFESSIONAL SUMMARY

Motivated and adaptable Junior Developer with hands-on experience in full-stack development, database systems, and REST API design. Skilled in C#, SQL, JavaScript, and .NET, with a strong understanding of Agile development, testing, and debugging. Passionate about creating efficient, scalable, and user-focused solutions that enhance performance and usability. Quick to learn new technologies, collaborate within teams, and apply problem-solving skills across various IT environments.

CAREER EXPERIENCE

Junior .Net Developer (Contractor For AIB)
Jalmia Solutions – Tubbercurry | Apr 2025 – Oct 2025

- Developed and maintained full-stack features using C#, .NET Core, SQL Server, SSIS, and JavaScript/Angular.
- Designed and implemented REST APIs and optimized database workflows to improve performance.
- Participated in Agile sprints, contributing to coding, testing, debugging, and deployment activities.
- Enhanced legacy systems and automated processes to reduce manual workload and increase reliability.
- Documented technical procedures and contributed to peer code reviews for quality assurance.

PROJECTS

Full-Stack Survey Website – Team Project (2024–2025)
Technologies: React, Node.js, Express, MongoDB, AWS

- Collaborated in a team to design and develop a full-stack web application that allows users to create, participate in, and analyze surveys.
- Built and integrated RESTful APIs for managing survey questions and responses.
- Developed responsive front-end interfaces using React, focusing on usability and accessibility.
- Implemented secure user authentication and data storage using MongoDB and AWS-hosted services.
- Contributed to deployment and hosting on AWS, ensuring scalability and reliability.
- Practiced Agile methodologies, version control with GitHub, and regular sprint reviews for progress tracking.

EDUCATION

Bachelor of Science (Honours) in Computing   **2022 - 2025**
Atlantic Technological University - 2.1 Second Class Honours

SKILLS

Languages & Frameworks: C#, JavaScript, TypeScript, Java, Python, SQL, HTML, CSS, Angular, Node.js, .NET, SSIS
Databases & Tools: SQL Server, MySQL, MongoDB, AWS, Git, CI/CD
Systems & Practices: Linux, Windows, Agile Methodologies, REST API Development, Debugging, Testing, Documentation
Soft Skills: Problem Solving, Critical Thinking, Communication, Adaptability, Team Collaboration, Receiving Feedback

EXTRA-CURRICULAR ACTIVITIES

Class Representative (2024)
Responsible for communication and problem resolution for students, organizing events and collecting feedback.
